Got a ticket? Can't afford to pay?

Hennepin County District Court, in collaboration with the Hennepin County Board, is adding Hearing Office appointments on the 2nd Saturday of every month where you can resolve tickets. **Appointments must be scheduled in advance.**

Talk with a hearing officer about your ticket if you believe that you are not guilty of the charge(s) or you cannot afford to pay the fine. Depending on the facts of your case and your violation history, some of the options include:

- ♦ restorative justice community work instead of a fine,
- ♦ a diversion to keep it off your record,
- ♦ a reduced fine amount, or
- ♦ a payment plan.
